

## Note to International Students

### Accommodation Information

SUSS does not offer on-campus residential places or hostels on campus. In Singapore, there are several reputable online rental platforms that international students and other renters can use to find apartments, flats, or rooms. Here are some of the most popular ones:

1. **PropertyGuru:** One of the largest and most popular property listing sites in Singapore. It features listings for condos, HDB flats, landed properties, and rooms for rent.

Website: [propertyguru.com.sg](https://www.propertyguru.com.sg)

2. **99.co:** A user-friendly platform that offers a wide range of property listings, including HDB flats, private apartments, and landed houses. You can filter by price, location, property type, and more.

3. **SRX (Singapore Real Estate Exchange):** Provides comprehensive listings of rental properties including HDB flats, condominiums, and landed properties. SRX also offers rental valuation tools and insights into market trends.

Website: [srx.com.sg](https://www.srx.com.sg)

4. **Rent in Singapore:** Specializes in rental properties across Singapore. It allows users to search for available rooms, apartments, and houses by region, price, and type.

Website: [rentinSingapore.com](https://www.rentinSingapore.com)

5. **Roomgo:** A platform that focuses primarily on finding rooms for rent or roommates in shared accommodations, making it ideal for students looking for affordable housing options.

Website: [roomgo.com.sg](https://www.roomgo.com.sg)

6. **Nestia:** Another platform with a wide variety of rental listings, including HDB flats, condos, and landed properties. It also provides market insights and tools for finding the right rental property.

For short-term accommodation options, you may consider the following:

[1] **Hotel Mi Rocher**

[2] **YWCA**

International students should also be mindful of housing scams when searching online, particularly if they are unfamiliar with the rental market. It's advisable to visit properties in person if possible, or at least request virtual tours before signing contracts or making payments.

The following accommodation options are also suggestions for your convenience. SUSS does not endorse any private housing operator, nor does it profit from listing the details below. Any housing arrangement is a direct and private arrangement between the student and service provider.

You are advised to contact the service provider directly for the latest rates and availability.
